Reclassification Client Categorization

Clarksons Securities AS (CS) is required by the Norwegian Securities Trading Act to classify its customers with reference to professionalism in relation to investment services and activities and all financial instruments. The customers are classified as non-professional customers/retail, professional customers or qualified counterparties.

1. CLIENT INFORMATION

Name/Company name:	
National ID number (for private persons)/ Company number (for companies):	

2. CLASSIFICATION STATUS

Please tick the appropriate boxes below:

Current classification/categorization:	Non-professional ☐	Professional ☐	Eligible Counterparty ☐
New classification/categorization:	Non-professional ☐	Professional ☐	Eligible Counterparty ☐

3. RECLASSIFICATION FROM NON-PROFESSIONAL TO PROFESSIONAL

If the request is to be reclassified from non-professional to professional, please answer the questions below and attach documentation confirming that the criteria's are met.

Such a reclassification results in a lower level of investor protection. **Non-professional / retail clients** have the highest level of investor protection. Please see page 2 "*5. Information*" for information about the different client classifications. **Professional clients** are in some areas regarded as able to safeguard their own interests and are normally expected to have sufficient knowledge to assess whether a transaction is appropriate. This means that professional clients must, to a greater extent than non-professional clients, themselves obtain the information they regard as necessary. As a result, the services provided by CS will therefore to a lesser extent be tailored to suit the client's individual needs.

2 of 3 requirements must be met to be re-classified from non-professional to professional client:

I/We hold a financial portfolio (cash and financial instruments) exceeding EUR 500,000 in Norwegian kroner	☐
I/We have conducted at least 10 transactions, in significant size (amounting to at least EUR 10.000), per quarter the last 12 months	☐
I/We work/have worked in the financial sector for at least one year in a professional position which requires/required knowledge of the transactions or services to be provided	☐

4. SELF-DECLARATION AND SIGNATURE

I/We hereby confirm that I/we request to be reclassified as stated in this form. By requesting a reclassification from a higher investor protection level to a lower investor protection level, I/we hereby waive parts of the investor protection and understand the consequences of losing the protection. I/we are aware that professional clients are deemed to have sufficient knowledge and experience and are financially able to manage risk in transactions that are conducted. The agreement applies in relation to all transactions, investment services and types of products.
